

State Commander

Dear Comrades:

Our new 2021 – 2022 VFW program year is finally here, and we are off to a really great start! Our past is now in a very small rear-view mirror and our bright future is in a very BIG WINDSHIELD just ahead of us!

There is no reason why we cannot be successful once again. We had a lot to be proud of in our accomplishments over the past year and now that restrictions are lifted, we need to go full speed ahead with all our efforts.

Our Immediate past commander Ron Peters did a great job leading us through the pandemic.

We should be confident that capitalizing on the momentum that we have, coupled with the same energy, dedication, and willingness to grow and change, we will have another outstanding year to achieve all goals including surpassing 100% in membership. We will do this through total participation in all VFW programs.

Communication, Teamwork, and Commitment are the cornerstones and fuel that will drive our success. Good communication requires all District Commanders to work closely with their Posts within their areas of responsibility. District Commanders must keep our state leadership informed about the success stories in their areas and the issues that we need to handle better to make iterative improvements throughout this great Department. Program chairpersons, please fully promote your activities and encourage maximum participation by all Posts.

Teamwork will help us leverage our collective strengths into victories as we share proven practices and create effective solutions to issues that require our highest and immediate attention.

Commitment is the oath that we took to ensure we all do our part as leaders of this great organization to keep our department on top and set the example for others to emulate.

Comrades, there is no doubt in my mind that we are looking at a great year of opportunity. People are full of energy and ready to get back to work.

I look forward to working with all of you as I visit as many Districts and Posts as I can. See you on the high seas where we will experience smooth sailing on a course to VFW success!

A handwritten signature in cursive script that reads "Nathaniel Smith".

From our President:

Dear Brothers and Sisters

I know that we all have been through some very difficult and trying times this past year, even though it has changed our lives, impacted our activities, and disrupted our routines, it has also given us time to strengthen our relationships with our family and friends, and become closer to what we really believe. It has made us stronger in mine and body.

I am truly very proud and very excited to serve as your Department President this year. Although we were on hold

for a little while, I know we never gave up on our duties to our Veterans and active duty. As we move forward, let's work hard to accomplish our goals.

Thank you to everyone who has accepted the challenge, and taken a position to make this the best year ever. Working together, we will accomplish our dreams and goals that we have set for this great organization.

This booklet has invaluable information you as a member will need to get in contact with any VFW or VFW Auxiliary Officer, District President and Chairperson. Please feel free to contact anyone for any questions and information you may need throughout the year.

Our Membership theme this year is “our puzzle needs you”, and by working together, we will finish the puzzle and frame it in record time. We will work hard and become stronger each day, so we can keep “Soaring Above and Beyond,” and continue to take care of “Our Veterans, Forever and Always.” I extend my best wishes to have the greatest year ever, and to show this pandemic it will not stop us from our duties, instead make us stronger forever.

May God continue to watch over our troops, and please always remember to thank a Veteran.

With much love to all,

Pam Sopher
