Dear Comrades,

The Guardians of the National Cemetery are in the process of having a larger-than-life statue of General George Washington cast for placement in Washington Crossing National Cemetery. General Washington will be kneeling in prayer, respect and honor of those interred on these hallowed grounds. We anticipate dedication of the statue in May of this year.

I write today to ask for donations from the VFW Family for this meaningful and appropriate memorial to watch over our brothers, sisters and family. Donations may be sent by check to the above address in Newtown, PA. For additional information, or to donate online, please see our website – guardiansofthenationalcemetery.org.

There are no government funds being used in this project.

Here is a link to a video of our project - <https://vimeo.com/747351498>

Please feel free to contact me for further information.

Thank you in advance for your consideration.

Respectfully,

Robert E. Craven
