# State Commander

Sisters and Brothers,

WE belong to the Greatest Combat Veteran Service Organization in the world, and the VFW Dept. of PA sits at the forefront in many ways. With that comes a great responsibility. WE are Elite, and therefore should act and represent in such a manner. I know I do not sit in the high office of Dept. of PA Commander today, without the tremendous support and advice that I have, and continue to receive from others that have been in the VFW for a while, and many that are just getting their feet wet in the proverbial water. We must continue

to Educate ourselves and others, Learn from one another, Teach those that will one day lead, and Mentor everyone in what the VFW is truly about. Every moment and/or scenario gives us the opportunity to accomplish at least one of these things. Knowledge is NOT power alone, Knowledge is ONLY power if shared! When WE stop Learning and Teaching, is when WE will stop Evolving. If WE do NOT Evolve, WE will Die as an Organization!

Educating and Teaching should NOT stop with us. WE must ensure the civilian population knows what WE do, and the many ways WE contribute. All too often negativity is spread when one thing happens. It is our responsibility to let everyone know all the positives that come from our Posts. WE are our worst enemy in spreading the word on all the great things WE accomplish. Utilize social media and all news outlets. These give you a platform to promote our programs, share pictures of events and awards being given, and a plethora of other positive things you should share about YOUR VFW. Get out from behind those walls, and let the world know amazing things are being done.

As a State Commander, you know I am going to talk a little about Membership. Many of us have heard the phrase "Membership is the Lifeblood of the Organization". This is a factual statement. Without Members, WE do not exist! WE as the VFW Dept. of PA ended the last fiscal year at 57,504 Members. WE MUST continue to grow this number. It is important to grow, because when we lobby in Washington DC and Harrisburg, the Legislators always want to know how many Members WE represent. They will not listen to one, but their ears perk when that one is representing nearly 58,000 Members. Membership math is simple. If every Member in PA Reinstated or Recruited one Member, WE would double in size, as would our voices on Capitol Hill. Help our voices be heard, so that WE do not lose benefits earned, and WE may continue to generate benefits for our future Veterans. Today's and every day's goal is to bring at least one more Sister or Brother into OUR VFW PA Family!

The VFW Dept. of PA will go through short falls and success throughout the upcoming year. As YOUR VFW Dept. of PA Commander, I will shoulder those short falls. YOU on the other hand, will garner success in everything, and YOU will bask in those successes!

Signing off, I ask three things: **IGNITE** your fire and passion for success, **UNITE** as one VFW Dept of PA for success, and **PUSH FORWARD FOR SUCCESS!!!**

*Jim Brown*
