

DONATION REQUEST

The VFW Department of Pennsylvania hosts an annual Conference for Pennsylvania Women Veterans to gather in a relaxed atmosphere to discuss various topics with fellow women veterans.

All women veterans are welcome to attend, not just VFW members!

Our March 2026 had 164 women veterans in attendance, and it was a huge success.

We are already planning for the March 5-7, 2027 event in Reading, PA.

This letter is to ask for your financial support to continue to provide a quality program for our women Veterans, often times an overlooked and neglected part of our society.

We provide access to much needed information related to Filing a VA Claim, Obtaining a Service Animal, Counseling for Military Sexual Trauma, Suicide Awareness and prevention, Homeless Veteran Treatment Options, Financial Planning, Leadership Development, and much more.

We hope your organization is able to donate to this program, to once again offer our Women Veterans access to much needed information regarding benefits, health care, leadership opportunities and camaraderie for women veterans.

I thank you in advance for your support and also thank you for the generous support you have shown this program in the past. Please contact me if you have questions or require additional information.

Very respectfully,

Amy E. MacKenzie
