# State Commander

My theme this year is “Together Everyone Achieves More (TEAM).” Why did I pick this as my theme? Because we need to work together to succeed. In order for our organization to grow, we need to work together as a team.

Comrades or Veterans, depending on how you like to be referred to need to work together at the Post, District and Department levels. We need to learn from each other and share ideas. Do not discount others’ ideas just because of having a certain way of doing things or “we’ve always done it that way.” You need to try new ideas as they may be successful for your post.

Auxiliaries need to be looked at as an asset to help your post grow. The Auxiliary is part of the VFW Family and part of the team. We are both here to support veterans and their families.

By working together, we can grow our organization. The Auxiliary can recruit for the VFW and the VFW can recruit for the Auxiliary. Neither part of this organization should try to take over the other but instead join forces to become a strong organization.

Each Post should have a copy of the most recent National VFW Bylaws/Manual of Procedure and Ritual book plus the most recent Auxiliary Bylaws/Ritual book if they have an auxiliary. The Auxiliaries should also have a copy of the most recent VFW Bylaws/Ritual book along with their own Bylaws/Ritual book. Having this information on hand will help both sides of the organization better understand how to work with the other side.

Once you have a strong Post that is active in the community, other veterans will want to join your post. If you have an Auxiliary, they can help you within the community and add to the strength of your post. If you have a strong post, you can keep the Home Association Members from over taking your home post! We currently have too many posts that have been taken over by the Home Association. We as veterans have let this happen by not recruiting new members to replace us when we get older and are unable to help as we have in the past. We have allowed our home associations to become the stronger element within our post. Home Associations do not have the same priorities as the VFW as they are just out for themselves, not the veterans. Do not let your home association take over your post!

Once you grow your Post and Auxiliary into a strong post, share your success with others. Work on growing a strong District and infuse your success throughout the state! Every Veteran and their family are important to the VFW. We need to make sure that they feel welcome and important. We need to become one big Happy Family; Veterans and Auxiliaries!
